

## Authorization Letter for Publication in Salud Mental

Hereby, as copyright holders of the manuscript titled:

---

---

We authorize the magazine Salud Mental, official publication of the "Instituto Nacional de Psiquiatría Ramón de la fuente Muñiz", its use and reproduction.

If the manuscript is accepted for publication, we authorize its printed and electronic reproduction without financial compensation and for an unlimited time, in addition to the transfer of the content to an external database, hoping that the free access policy of the publication will be favorable for agreater dissemination of the article among the scientific community.

The authors declare that we are aware of and in agreement with the order of authorship indicated in the original manuscript and we have participated in the study, that we take public responsibility for it and we approve its final version. We declare that we retain the copyright on the pre-print version of the document; However, the post-print version has rights related to the Salud Mental magazine. In this way, we assure the institute of the non-existence of a conflict of authorization to use the work (Art. 84 LFDA).

The authors ensure that the submitted work is original and, the information contained (including tables, figures and photographs) has not been previously published or is under consideration in another journal, that the copyright or property rights of third parties are not violated and, it respects the privacy of study participants. We declare that the research protocols in humans or animals had obtained the approval of the Scientific and Ethics Committees of the institution(s) where the study was carried out.
